**FISCAL IMPACT STATEMENT**

**LS 7862**

**BILL NUMBER:** SB 562

**NOTE PREPARED:** Jan 11, 2005

**BILL AMENDED:**

**SUBJECT:** Killing Domestic Animals.

**FIRST AUTHOR:** Sen. Antich-Carr

**FIRST SPONSOR:**

**BILL STATUS:** As Introduced

**FUNDS AFFECTED:** ☒ **GENERAL**  
☒ **DEDICATED**  
**FEDERAL**

**IMPACT:** State & Local

**Summary of Legislation:** The bill makes murdering a domestic animal a nonsuspendible Class D felony unless the killing was necessary to prevent injury to a person, protect property, or prevent a seriously injured domestic animal from prolonged suffering.

**Effective Date:** July 1, 2005.

**Explanation of State Expenditures:** There are no data available to indicate how many people may be convicted of knowingly or intentionally murdering a domestic animal, a Class D felony. Additionally, the court would not be able to suspend any part of the sentence.

A Class D felony is punishable by a prison term ranging from six months to three years or reduction to Class A misdemeanor depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$21,514 in FY 2004, ranging from a low of \$16,645 to a high of \$49,281. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The estimated average cost of housing a juvenile in a state juvenile facility was \$59,574, with the costs ranging from a low of \$52,420 to a high of \$77,674. The average length of stay in Department of Correction (DOC) facilities for all Class D felony offenders is approximately ten months.

**Explanation of State Revenues:** If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class D felony is \$10,000. Criminal fines are deposited in the Common School Fund.

If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund.

**Explanation of Local Expenditures:** If more defendants are detained in county jails prior to their court hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

**Explanation of Local Revenues:** If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.

**State Agencies Affected:** Department of Correction.

**Local Agencies Affected:** Trial courts, local law enforcement agencies.

**Information Sources:** Indiana Sheriffs' Association, Department of Correction.
